Re: Second Written Request for Annual Report for the Years 1994 and 1995

Dear Mr. Willden:

As of this date, we have not received your annual report for the Dell/Lowboy mine, file number S/023/050, located in Juab County, Utah. We attempted to contact you via telephone on March 26th and left a message on your answering machine. We have had no response to the phone call. We did not receive your 1994 report either. Please include that year with your filing.

The Utah Mined Land Reclamation Act, Title 40-8-15, subsection (2) and Rule R647-3-116.1 of its interpretive rules, require a mine operator to file an annual report with this Division by January 31st of each year. This report is required regardless of mine activity, unless the Division grants a written waiver from the annual filing requirement, or the operator receives a formal release from continued reclamation obligations from the Division. Your failure to file this report, may constitute a violation of the Mined Land Reclamation Act, which could result in the issuance of a Notice of Noncompliance and/or a formal Notice of Agency Action.

We assume that your failure to return the completed annual report form was an oversight. Accordingly, we are once again requesting that you submit the required report to this office. Please return the enclosed annual report form no later than April 15, 1996. Please contact me or Tom Munson of my staff if you have questions or concerns in submitting the report. Thank you for your cooperation and prompt attention to this matter.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
